

An Invitation for the Competition on Machine Learning

The Organizers cordially invite you to participate in the 1st annual Machine Learning Competition. We would like to take this opportunity to reach out into the community to provide an event that will foster data analytics interest and expertise among your students.

The competition is scheduled for Wednesday, March 15, from 10am to 12am. In the competition will be included two tasks for processing and classifying data sets. Further information regarding the content and scoring of the different tests is available at our web site <http://imajor.info/LDA/>

To register for the competition, go to the website (<http://imajor.info/LDA/competition> (Available from 01.01.2018)) and use the online registration form. The deadline for registration is Wednesday, March 1, 2018.

The participation is individual. Each participant presents himself / herself or a particular higher education institution.

If you have any questions regarding the competition, please contact to prof. Ivan Ivanov iivanov@feb.uni-sofia.bg or send an e-mail at mlc@feb.uni-sofia.bg
